## COMMUNITY ENGAGEMENT

### Fresno Grizzlies Summer Shadow Program

The Fresno Grizzlies are excited to announce “A League of Her Own” – a new initiative to attract and retain girls in the sport industry, whether on the field or in the front office. This summer, we will kick off the Fresno Grizzlies’ Summer Shadow Program. The program aims to give young girls a meaningful opportunity to explore their options for a career in the sport industry. Each selected participant will pick one week to rotate through each department within the Fresno Grizzlies’ Front Office and Game Day operations. At the end of the program, each girl will be recognized during a pre-game on-field ceremony. Girls must be between the ages of 14-18 years old and be currently enrolled in high school. Applicants must be available to participate for the full week of the program.
