

LOOKOUTS

AT HOME READING PROGRAM

During this time of uncertainty, we at the Chattanooga Lookouts want to provide our younger fans and students around the community with some fun and educational home activities. We have created an at home reading program that can be done from the comfort of your own home during the break.

At Home Reading Program

1. **READ** – Read an age appropriate book for at least 15 minutes per day for four (4) weeks
2. **Hit a HOME RUN** – Reach first base (after week one), reach second base (after week two), reach third base (after week three), reach home plate (after week four).
3. **Redeem Your Prizes** – Submit the form online. Once you have reached each base and made it to home plate, just fill out the online completion form and the student will receive a FREE ticket and a voucher for a hot dog, chips, and drink. Additional tickets for family members will be available at a discounted rate of \$5.
4. **Speak with a Lookouts Representative** – A Lookouts representative will be in contact with you once the 2020 game schedule is determined to complete your order.

Rules / Guidelines

Any student is eligible.

Limit one form per child. Families with multiple children will need to submit multiple order forms. Forms can be submitted online or dropped off at the AT&T Field Ticket Office once we resume standard business hours.

Parents, family members, and friends can purchase additional tickets for \$5 each. Game dates are based on availability.

Please Contact Lookouts Representatives Jarrah Vella-Wright at jvellowright@Lookouts.com or Kansas Carpenter at kcarpenter@Lookouts.com with any questions.

Our fans happiness and well being will always be at the forefront of our goals. We hope that this At Home Reading Program will bring some fun and happiness to you in the uncertain times and we cannot wait to see you at AT&T Field soon!

AT HOME READING PROGRAM TRACKING SHEET

At Home Reading Program
