"Card-Monroe Corp. has had several company outings with the Chattanooga Lookouts over the years. Our employees love the family atmosphere and the excitement of hometown baseball and I love how great the staff is at helping us set up the event. The Lookouts offer everything from a group picnic to meal vouchers to accommodate any group size. One of the best outings we had was when we took a group of managers and rented a sky box for the day. The managers are still asking when we are going to do that again!"
 Melissa Moore, Human Resources Manager for Card-Monroe Corp.
