**HOW TO PLAY:**

Ok Sounds fans, we've got a game for you to play. Even though we can't be at the ballpark, we want you to still be able to play baseball. Get creative and have some fun! All you need is dice our baseball field and your players! Use our provided board and players or create your own!

Here's how you play:

You will need a minimum of two players to have a visiting team and a home team. The visitors start by rolling a dice to see what pitch is thrown. Just like in baseball, you have to watch your count and work to get the batter out.

Here's what happens when the pitcher rolls the dice and lands on...

1: Strike
2: Ball
3: Strike
4: Ball
5: Strikeout
6: Strike

As the batter, when you get a strike thrown to you, it's your turn to roll. What you roll determines how your at bat went...

1: Single
2: Out
3: Double
4: Out
5: Triple
6: Home run

Play until the inning is over and three outs are recorded. Don't forget to move your players around the bases based on the hits you have coming. That's how you score runs! After nine innings your game is over and you will have a winner!

*No bunting, no stealing and runners can only move the number of bases the hit produced*
