Bowling Green Hot Rods COVID-19 Details

We Thank You for your continued support of Hot Rods Baseball

When will the season start?
There is no official start date set for the 2020 season. We are working with both MLB and MiLB to start the season when it is safe for all fans, players, and workers. Right now we still don’t know when that will be.

How will the scheduled be adjusted for the 2020 season?
We continue to work with MLB and MiLB on the possible scenarios for games in 2020. There is a good chance that the season will not have the full 140 games that we are traditionally used to.

What games are officially postponed?
As of today, 4/1/20, all April games are officially postponed.

What do we do if we have tickets for postponed games?
If you have an individual ticket you may exchange it for any game once the season resumes. If you have a season ticket or mini plan you will have three options. You will be contacted by phone and with a letter once we have a start date and are able to know how many games will be postponed. The three options are:

1. Get full value of the ticket in ballpark bucks to be used on food, drinks, or merchandise. It will be a $1 for $1 exchange based on your package.
2. Exchange missed games for extra 2020 tickets.
3. Get a credit on your 2021 package.

What is happening with the 2020 Med Center Health All-Star game?
There is no official decision at this time. We are working with MiLB and the Midwest League on the possible options. There is a chance the dates might be changed or possibly moved to 2021.

Go Hot Rods!
