## CRAIG UNGER

PRESIDENT \& GENERAL MANAGER
In five years, Craig Unger has made his mark on The Bluff City with numerous improvements to AutoZone Park, the continued success of the Memphis Redbirds, the addition of a United Soccer League franchise in Memphis 901 FC , and helping link Memphis to London by acquiring ownership in Dagenham \& Redbridge FC.

Unger was named the General Manager of the Memphis Redbirds, the Triple-A affiliate of the St. Louis Cardinals, in April 2014, and he added the title of President in 2016. In December 2016, Redbirds Principal Owner Peter Freund announced that Unger joined the ownership group for the franchise, along with Freund and the Cardinals.

In January 2018, Unger and Freund announced plans to bring a United Soccer League franchise to Memphis and AutoZone Park, with Memphis 901 FC beginning play at the downtown stadium in 2019. Later that year in September, Unger and Freund acquired Dagenham \& Redbridge FC of England's National League in a move that will link together the City of Memphis and the City of London through sports.

As President of the Redbirds and Memphis 901 FC, Unger is responsible for running the day-to-day operations of the franchises and AutoZone Park. He also oversees the development of AutoZone Park as a premiere entertainment and social venue in

Downtown Memphis.
In five baseball seasons in Memphis, Unger has directed numerous advancements with the Redbirds, including significant renovations and upgrades to AutoZone Park and improvements to the fan experience through unique and family-friendly food, beverage, and entertainment options. This has led to a 24 percent per-game attendance increase from 2015-18, which is tops in all of Triple-A Baseball and fifth among all 160 team in Minor League Baseball.

Unger spearheaded the explosion of Memphis 901 FC onto the region's sporting scene, as evident by an AutoZone Park sellout crowd to witness an exhibition match between the Colorado Rapids of Major League Soccer and USL foe Tulsa Roughnecks FC.

Before making the move to Memphis, Unger spent five years with the St. Louis Cardinals Front Office as an Account Executive, Corporate Sales and Marketing. In the position, Unger sold and managed corporate sponsorships, and oversaw club radio promotion and advertising, among other notable achievements.

Prior to his time with the Cardinals, Unger spent nine years (1998-2007) in various positions at KTRS Radio including the role of Station Manager. In his spare time, Unger enjoys cooking and barbecuing. He graduated from Webster University in 1998 with a Bachelor of Arts in Communications. Unger, along with his wife, Pamela, and three daughters, Emma, Ellen and Eden, reside in Memphis.

## 2017 REBRANDING

The Memphis Redbirds unveiled a new brand identity on Jan. 18,2017 that speaks directly to the soul of the city and its rich traditions.

The primary logo replicates that of a neon street sign, quickly calling to mind Memphis' iconic Beale Street, located just a few blocks from the ballpark. The tube lighting is applied elsewhere throughout the brand package, including in the primary word mark and the numbers seen on the jerseys. Both the home and away uniforms feature the neon "Memphis" across the front with the neon "M" formed in the shape of a music note, to honor the home of the blues and the birthplace of rock ' $n$ ' roll.
"Upon purchasing the Redbirds, our first priority was to reconnect as a local business operating in downtown Memphis," said Principal Owner Peter Freund. "In doing so, we felt we needed an authentic brand that represented not only the storied history of Memphis, but the heart of the city itself."
"Throughout this process, we wanted to create a brand that we could activate," said President/General Manager Craig Unger. "The new, more modern look pays homage to Memphis' rich baseball heritage while keeping the connection to our St. Louis Cardinals affiliation. We have achieved this balance by maintaining the Redbirds name and color scheme, but also bringing back elements such as the music note ' M ' from the 1970s."

In order to successfully capture this essence of Memphis, the Redbirds turned to Dan Simon of Studio Simon for design.
"We were tremendously excited when the Redbirds came to Studio Simon and asked us to work together with them to create a brand identity that celebrated Memphis in a manner that evoked the unique flavor of such an incredible city, one that is a destination in and of itself," said Dan Simon. "And to be able to marry that look with a nod to, and update of, one of the St. Louis Cardinals' wonderful heritage logos was certainly delicious icing on the branding cake."

The primary colors of the new brand are St. Louis Cardinals red, navy and yellow, to represent the affiliate of the Redbirds since 1998. There are two primary hat versions: a red home hat featuring a more modern take on Rockey the Redbird's head, and the iconic music note neon "M" on a blue hat with a red bill. Fans will note a faint yellow outline around the jersey elements, which gives the effect that the neon is turned on.

Rockey has also been modernized as an edgy, bold and determined character, which embodies the spirit of Memphians. And the Redbirds are proud to bring back an iteration of Rockey as the Cardinals' famous "Dirty Bird," which will be featured on alternate powder blue jerseys the Cardinals made popular during the 1980s.

The 2018 season was the Cardinals 11th－consecutive winning season，a streak that began when Mozeliak was named General Manager prior to the 2008 season．The Cardinals 897 wins in those 10 seasons under Mozeliak＇s watch are third only to the New York Yankees（910）and Los Angeles Dodgers（900）．One Cardinals affiliate won their respective league championship last season with the Memphis Redbirds repeating as Pacific Coast League champs and capturing thier first ever Triple－A National Championship．

A consistent culture of retaining key players has resulted in several significant deals aimed at keeping the organization＇s top talent in St．Louis．Since 2012，the club has worked out multi－ year deals with All－Stars Yadier Molina（2012 \＆2017），Carlos Martinez（2017），Matt Carpenter（2014），Adam Wainwright （2013），and inked Kolten Wong（2016）and Paul DeJong（2018） to multi－year deals as well．Mozeliak engineered a series of late season moves in 2011 that transformed the Cardinals and saw the team go from $101 \frac{1}{2}$ games back in late August to winning the franchise＇s 11th World Championship．Baseball America named the Cardinals the 2011 Organization of the Year，the first time the franchise had received the honor．Mo was the 2011 recipient of the MLB．com GIBBY（Greatness in Baseball Yearly）Executive of the Year award and he was named，along with Tony La Russa，as the 2011 Baseball Man of the Year by the St．Louis Chapter of the Baseball Writers Association of America．

In 2012，after the selection of Mike Matheny as manager，the Cardinals fell just one win shy of capturing the N．L．Champion－ ship，and with the team＇s success，Mo was honored by the Ne－ gro Leagues Baseball Museum with the Andrew＂Rube＂Foster Award as Executive of the Year．The 2013 team won the National League Championship and returned to the World Series just two years removed from winning the World Series title in 2011．Fol－ lowing that season，the organization was recognized by Base－ ball America as the Organization of the Year－the second such honor in three years－and was honored by USA Today Sports as having the best franchise among Major League baseball teams． The 2014 team captured the Central Division title for a second－ straight season and returned to the National League Champi－ onship Series for a fourth－straight year．St．Louis led all Major League Baseball teams in wins and reached the postseason for a fifth－straight season in 2015，the ninth time in franchise history a Cardinals team had won 100 games．

Mozeliak，49，is a 23 －year veteran of the Cardinals front office， having joined the organization following the 1995 season where he initially served as an assistant in scouting operations dur－ ing both the 1996 and 1997 seasons．Mo was named assistant scouting director in 1998 and was promoted to scouting director during 1999 and 2000．Several notable players came out of the draft classes of＇99 and 2000 under Mo＇s direction，most nota－ bly first baseman and perennial All－Star Albert Pujols who was drafted in the 13th round of the 1999 draft，as well as catcher Yadier Molina．

In 2001，Mozeliak was named Director of Baseball Operations and in 2003 he was promoted to Assistant General Manager． During his time as Assistant GM，Mo＇s duties increased as he focused more on the Major League Club and professional scout－ ing，while still having direct involvement in both the scouting and player development departments．

Mozeliak began his career in baseball in 1993 with the Colorado Rockies where he worked in a variety of positions in baseball operations．He attended the University of Arizona and the Uni－ versity of Colorado．He currently serves as the National Trustee for the Foundation Fighting Blindness，is an active fund raiser for American Parkinson Disease Association and sits on the Mercy Hospital Foundation board．Mozeliak lives in St．Louis with his wife，Julie，daughter，Allyson，and son，Will．

AUTOZONE PARK: HOME OF THE MEMPHIS REDBIRDS

AutoZone Park has drawn rave reviews across the nation from publications such as USA Today, Sports Illustrated, Southern Living, Sports Business Journal and Baseball America, having been called "one of America's 10 Best Ballpark Vacation Destinations" and "a smaller version of Baltimore's Camden Yards."

By combining the feel of such parks as Wrigley Field, Fenway Park, and Camden Yards, AutoZone Park is a state-of-the-art facility with classic, neo-traditional style and is one of the finest ballparks ever built below the Major League level.

ARCHITECT: Memphis' Looney Ricks Kiss Architects was the lead architectural firm. They used Kansas City-based HOK Sports, who have designed more Major League ballparks than any architectural firm in the country, as consultants. AutoZone Park has drawn comparisons to Baltimore's Camden Yards, which was also designed by HOK Sports.

LOCATION: AutoZone Park is centrally located in downtown Memphis and covers more than two full city blocks, with the main entrance right across the street from the famous Peabody Hotel and two blocks north of Beale Street. The building of the stadium is often credited with helping revitalize downtown Memphis, as it was part of a $\$ 2$ billion downtown building boom. It also furthered minor league baseball's trend of building stadiums downtown instead of in the suburbs. In the summer of 2001, Peabody Place, a long-awaited shopping and entertainment complex, opened just a block away. Echelon at the Ballpark, a 380 -unit luxury apartment complex now known as Fielder Square Downtown, opened outside AutoZone Park's outfield walls, and a new elementary school was built by the Memphis City Schools System just one block northeast of the ballpark.

FIRST GAMES: The first game at AutoZone Park was played on April 1, 2000, when the St. Louis Cardinals came to Mem-
phis for an exhibition matchup that they won, 10-6 in front of a standing-room only crowd. The Redbirds hosted the lowa Cubs on April 14, 2000 in the first regular-season game, winning, 14-3.

2003 TRIPLE-A ALL-STAR GAME: Memphis played host to the Triple-A All-Star Game between the All-Stars from the Pacific Coast League and the International League. Festivities started with an All-Star luncheon held on July 15 at the Peabody Hotel that featured keynote speaker and Hall of Fame broadcaster Ernie Harwell. The game was played on the next day, July 16, at AutoZone Park in front of 15,214 fans. The International League defeated the Pacific Coast League, 13-9. Three Redbirds played in the game, including shortstop Jason Bowers, right-hander Matt Duff, and right-hander Jason Ryan, who suffered the loss in the game.

## 2016 GILDAN TRIPLE-A NATIONAL CHAMPIONSHIP GAME:

Memphis had the honor of hosting the 2016 Gildan Triple-A National Championship Game, which pitted the winners of the Pacific Coast League, the El Paso Chihuahuas, against the winners of the International League, the Scranton/WilkesBarre RailRiders. Scranton won, 3-1, in front of a near sellout crowd of 9,471 at AutoZone Park.

SEATING: AutoZone Park is home to 8,404 seats for fans to enjoy a Redbirds ballgame. 1,500 of these are found on the Bluffs, two areas of grass-covered lawn seating in each corner of the stadium that provides a picnic-like atmosphere. Tickets are sold cheaply for the Bluff, but any types of chairs are not allowed in this area.

AutoZone Park also offers two levels of luxury suites, 29 in total. These, as well as the almost 1,800 club seats, have access to the Club Level, which provides an air-conditioned atrium and specialty foods.

VIDEOBOARD: In the Spring of 2012, the Redbirds unveiled a new video scoreboard, one that has a display that is more than five times the size of the previous video display at AutoZone Park. The videoboard was built by Daktronics and is 3,600 square feet ( $60^{\prime} \times 60^{\prime}$ ), surpassing Buffalo's 2,640 square feet board as the largest in minor league baseball. Weighing at over 20 tons, the new board stands 127 feet ( 13 stories) above the playing field and contains $1,440,000$ pixels. However, it uses less power and is more environmentally friendly than the previous video display.

CONCESSIONS: Memphis is known as one of the tastiest towns in the Mid-South, and AutoZone Park helps uphold this reputation. The Official Concessionaire of the Memphis Redbirds and AutoZone Park is Delaware North. With over 30 concession outlets and 200 menu items, there is something for everyone at the ballpark. AutoZone Park's BBQ Nachos have been rated among the Top 10 Minor League Ballpark Foods by Sports Illustrated, and the stadium was named as a Top 10 Vegetarian Ballpark by PETA in 2007 and from 2011-14.

2019 MEMPHIS REDBIRDS MEDIA GUIDE

The Memphis Redbirds made multi-million dollar renovations and major enhancements to AutoZone Park over the 2014 offseason.

As part of the 2014 long-term lease agreement between the St. Louis Cardinals and the city of Memphis, $\$ 4.5$ million in bond proceeds were set aside to make capital improvements to AutoZone Park. The Cardinals added more than $\$ 2$ million in additional capital improvement money to fund significant state-of-the-art features and fan-friendly amenities that transformed the park prior to the 2015 season.

In a continuing effort to improve the overall fan experience, ballpark renovations made by the Cardinals included the installation of a state-of-the-art LED Videoboard in left field, LED ribbon board displays, thirty-nine "Four Top Tables", a right field destination BBQ food area, a new left field bar, additional berm seating, an expanded and upgraded club level, AutoZone Park's first all-inclusive club in right field, playing field replacement and more.

Renovations were completed by Montgomery Martin Contractors of Memphis, while Architecture designs were provided by Pendulum Studio II LLC of Kansas City.

## RENOVATION PROJECT DETAILS

NEW STATE-OF-THE-ART LED VIDEOBOARD DISPLAYS: Complementing the existing videoboard in right field, fans will get a complete multimedia experience at AutoZone Park with the addition of a new $14^{\prime} \times 140^{\prime}$ HD LED Video Wall in Left Field and two new $3^{\prime} \times 150^{\prime}$ HD LED Ribbon Boards along the first and third base façades within the seating bowl. The video wall and ribbon boards will provide better views, sponsorship activation, in-game entertainment, and game information.

NEW ALL-INCLUSIVE CLUB IN RIGHT FIELD (2ND FLOOR): Four existing suites in right field were removed to create AutoZone Park's first public all-inclusive area, which will feature retractable windows, a full service bar, indoor/outdoor seating, pool tables, and TVs. Tickets to this premium indoor group space will include all food, Coca-Cola products, draft beer, and house wines.

NEW RIGHT FIELD DESTINATION FOOD AREA: A BBQ-themed free-standing structure will be constructed on the outfield concourse in right field.

RELOCATED BERM SEATING: Fixed seats in the left field and right field corners were removed to create two new grass berm seating areas to maintain affordable tickets that are closer to the action on the field and fan amenities.

NEW LEFT FIELD BAR: Stairs were removed in the left field corner and replaced with a covered destination bar structure that includes high top tables, drink rails, and TVs.

CLUB EXPANSION BEHIND HOME PLATE (2ND FLOOR): Four existing suites behind home plate were removed to create a more vibrant club atmosphere and signature view of AutoZone park for both baseball and non-baseball events. This improved and larger indoor group space will feature retractable windows, more TVs, and a full service 360-degree bar.

ADDITION OF THIRTY-NINE (39) "FOUR TOP TABLES": Private, semi-circle table configurations consisting of four, 360-degree swiveling stadium seats located in four sections (201-204) on the Club Level above home plate. Each table features included pregame buffet, in seat service, and Coca-Cola beverages.

INTERIOR RENOVATION OF PREMIUM SUITES: Twenty-nine (29) suites will be renovated with replaced floor covering, new lounge furniture, drink rails, casework, wall and ceiling finishes.

UPGRADED EXISTING SIGNAGE: Selective non-digital signage, way-finding, and graphics visible to patrons on the main concourse and suite levels will be upgraded.

## AUTOZONE PARK: 2014 OFFSEASON RENOVATIONS

EXPANDED BACKSTOP NETTING BEHIND HOME PLATE: The extent of the netting behind home plate will be expanded to protect an increased number of patrons.

PLAYING FIELD REPLACEMENT: Playing surface renovation and full-scale field makeover: Existing grass, dirt, and organic material will be removed. New sand base will be installed for the field, sod, infield, and warning track. This marks the first full-scale field makeover since installation in 2000.

EXPANDED CONCOURSE: The most heavily trafficked areas of the main concourse will be expanded to improve traffic flow.
VARIOUS CONCOURSE IMPROVEMENTS: Additional TV screens added to concourses and public areas around the stadium. Concession stands throughout the main concourse will also receive various upgrades.

The runner at second base will be the player in the batting order position previous to the leadoff batter of the inning (or a substitute for that player). By way of example, if the number five hitter in the batting order is due to lead off the 10th inning, the number four player in the batting order (or a pinch-runner for such player) shall begin the inning on second base. Any runner or batter removed from the game for a substitute shall be ineligible to return to the game, as is the case in all circumstances under the Official Baseball Rules.
- For purposes of calculating earned runs under Rule 9.16, the runner who begins an inning on second base pursuant to this rule shall be deemed to be a runner who has reached second base because of a fielding error, but no error shall be charged to the opposing team or to any player.

## PITCHER'S MOUND VISITS:

- Visits by coaches and position players will be limited based on the classification level. Triple-A clubs will be allowed six (6) visits per team, Double-A clubs will be allowed eight (8) visits per team, Single-A clubs will be allowed 10 visits per team and there will not be a limit on mound visits for Short Season and Rookie-level clubs.
- These mound visit limits will apply whether the game is scheduled for seven or nine innings.
- For any extra-innings played, each club shall be entitled to one additional non-pitching change mound visit per inning. - Official Baseball Rule $5.10(\mathrm{I})$, which governs mound visits by a manager or coach, remains in effect (i.e., a pitcher must be removed on the second visit by a manager/coach in an inning).

- In the event a team has exhausted its allotment of mound visits in a game (or extra inning) and the home plate umpire determines that the catcher and pitcher did not have a shared understanding of the location or type of pitch that had been signaled by the catcher (otherwise referred to as a "crossup"), the home plate umpire may, upon request of the catcher, allow the catcher to make a brief mound visit. Any mound visit resulting from a cross-up prior to a team exhausting its allotted number of visits shall count against a team's total number of allotted mound visits.

## 15-SECOND PITCH TIMER:

- Pitchers at the Triple-A and Double-A levels will be allowed 15 seconds to begin their wind-up or the motion to come to the set position when no runners are on base.
- The pitcher does not necessarily have to release the ball within 15 seconds, but must begin his wind-up or begin the motion to come to the set position to comply with the 15 -second rule with no runners on base.
- With runners on base, the pitch timer will go from 15 to 20 seconds.
- The timer shall start when the pitcher has possession of the ball in the dirt circle surrounding the pitcher's rubber, the catcher is in the catcher's box and the batter is in the dirt circle surrounding home plate.
- The timer will stop as soon as the pitcher begins his wind-up, or begins the motion to come to the set position.

- Following any event (e.g., pick-off play) that permits the batter to leave the batter's box, the timer shall start when the pitcher has possession of the ball in the dirt circle surrounding the pitcher's rubber, and the catcher is in the catcher's box.
- Following an umpire's call of "time" or if the ball becomes dead and the batter remains at-bat, the timer shall start after the next pitch or play.
- Should the pitcher fail to begin his wind-up or begin the motion to come to the set position in 15 seconds with no runners on base, or 20 seconds with a runner on base, a ball will be awarded to the count on the batter.
- Should the batter fail to be in the batter's box and alert to the pitcher with seven (7) or more seconds remaining on the pitch timer, a strike will be awarded to the count on the batter.
- The first 15 days of the season (April 5-19) will serve as a grace period, with players receiving warnings for infractions. - Beginning April 20, rules will be enforced as written. an offensive substitution.
