[DATE]

Dear [ELECTED OFFICIAL'S TITLE AND NAME],
As one of your constituents, I am writing today to urge you to publicly support the Burlington Royals minor league baseball team in the face of a threat to their existence.

The B-Royals are an important part of the community here in Alamance County, but under a proposal by Major League Baseball (MLB), the B-Royals are one of 42 teams that could potentially be contracted from affiliation with an MLB team.

I have been attending B-Royals games for several years, and they have always provided fun, affordable family entertainment. The B-Royals also bring joy to our community through tireless efforts to support local charities, and through their donations and events held at the ballpark, have helped to raise over \$1 million for people in Alamance County.

B-Royals games also give us the chance to see future major league stars getting their start in professional baseball at an affordable price, wearing jerseys representing our community and making lasting connections as they make their way up the baseball ladder.

[To be included if writing a U.S. Senator]:

I encourage you to contact the offices of Representatives Lori Trahan, David McKinley, Max Rose, and/or Mike Simpson about the Save Minor League Baseball Task Force, which is working to rally the United States Congress to support the Spikes and all 42 Minor League Baseball teams in danger of losing affiliation.

[To be included if writing a U.S. Congressperson]:

I greatly appreciate your support of the Save Minor League Baseball Task Force, which is working to rally the United States Congress to support the Spikes and all 42 Minor League Baseball teams in danger of losing affiliation.

Thank you for taking the time to read this letter, and for your support of the Burlington Royals.

Sincerely,

[YOUR NAME]
