The 6-foot-4 hurler Tuesday will be the Dominican Republic native’s third career start...

The Threshers have been swept five times this season, with four coming at home.

The Threshers are not that different for the Threshers...The club has a .258 average at home compared to .233 on the road, and has scored 48 for the top-spot.

GATOR CHOMP: Dalton Guthrie picked up two more hits on Monday night, giving the Florida product a .345 average over his last 10 games...The 23-year-old is hitting .313 since the start of the second half after posting a .193 mark prior to the All-Star break...The right-handed hitter has 11 multi-hit performances in the second half, helping to raise his season average to .253...In just one more at-bat in the second half compared to the first, Guthrie has 14 more hits (36-22), an equal amount of doubles (6), one more triple (2-1), one more home run (2-1), and three more RBIs (11-8).

PILING ON THE PUNCH OUTS: Oscar Marcelino (2), Kyle Arjona (1) and Keylan Killgore (2) contributed five strikeouts to Clearwater’s season total on the mound on Monday night, lifting the staff’s number to 1,030...The Threshers remain the only team in the Florida State League with at least 1,000 punch outs, and lead the Fort Myers Miracle (MIN) 48 for the top-spot.

A JULY TO FORGET: After a strong 18-7 month of June, the Threshers fell back to 9-19 in July...The 10-game under-.500 mark pushed Clearwater from a game-and-a-half lead entering the fourth month of the season to three games back entering the final full month...The offense managed just a .216 average after hitting .246 in June and .277 in May, while the pitching suffered a 3.61 ERA compared to 2.56 in June...The bullpen took a big hit as well, as the relievers could not duplicate their success from June...Relievers posted a 5.70 ERA (59er/93.2ip) after putting up just a 1.58 mark in June (17er/97.1ip), and also blew half of their save opportunities (6-12).

LEAVING MEN ON BASE: After plating 47 runs through the first seven games of the second half (6.7 runs/game) to lead a 5-2 start, the Clearwater offense has managed 113 runs the last 40 contests (2.8 runs/game) to go 15-25 ever since...Over the stretch, Clearwater has managed just a .213 average with a chance to drive a runner (64-300)...The Philadelphia Phillies affiliate has 276 hits over the 40-game stretch (6.9 hits/game), with 83 going for extra bases (30 percent)...Clearwater went just 0-for-2 with runners in scoring position in the series opener against the Blue Jays, and is 0-for-9 over the last two games.

HOME Sweet HOME?: With the 6-15 mark since the start of July, Clearwater continued to stay below .500 with a 26-33 record at Spectrum Field in 2019 as the home team...The discrepancy in stats between home and road games is not that different for the Threshers...The club has a .258 average at home compared to .233 on the road, and has scored 22 more runs at Spectrum Field (227-205)...Clearwater has a .909 OPS at Spectrum Field, but has posted a .656 on the road...On the mound, the pitching staff does have a higher ERA on the home bump (3.95-3.28), and has a slightly higher average against (.239-.234)...The Threshers have been swept five times this season, with four coming at home.
